<b>AAT-1118</b>	<b>BAHIR DAR, GONDAR, LALIBELA, OMO VALLEY TOUR</b>	<b>13 Days / 12 Nights Flight / Surface</b>
-----------------	---	---

**Day 1: Arrival in Addis Ababa**

WELCOME TO ETHIOPIA. On arrival in Addis Ababa our representative will meet you at Bole International Airport. After transfer to your hotel an overview of the program will be given. The rest of the day visit historical sites in Addis Ababa including the National Archaeological Museum, where the 3,6 million year old skeletal remains of “Lucy” rest, which were discovered in 1974. Proceed to the Holy Trinity Cathedral and Mount Entoto, which rises up to an altitude of 3200 meters and offers a panoramic view of the metropolis. Overnight in 4-star hotel.

**Day 2: Fly Bahir Dar, Blue Nile Falls**

After breakfast fly to Bahir Dar, a small town on the southern shore of Lake Tana. The lake is the source of the Blue Nile and the largest lake in Ethiopia. Thirty of its thirty-seven islands host churches and monasteries of considerable historical and cultural interest. After refreshment take a boat trip on Lake Tana to visit two of the most accessible and representative monasteries, Ura Kidane Mehret and Azwa Maryam, which still serve their original function. In the afternoon, take the short walk to the best viewing point of the impressive Blue Nile Falls, locally known as Tiss Isat or 'Smoke of Fire'.

**Day 3: Drive to Gondar**

On the 180 km long drive to Gondar you experience a typical Ethiopian-African landscape - wide grazing land, hilly mountains and numerous farmlands. Visit the castles and churches built by emperor Fassiledes and his descendants, also known as Africa’s Camelot. Later proceed to the fascinating Debre Birhan Selassie Church - one of the World’s heritage sights. Its walls and ceilings are decorated with scenes of biblical lore and medieval history.

**Day 4: Fly Lalibela**

After breakfast transfer to the airport and flight to Lalibela. The town of Lalibela, lies among the Lasta Mountains at 2630 m above sea level and remains until today a place of pilgrim and devotion for Ethiopian Christians. The construction of the eleven rock-hewn churches is attributed to king Lalibela of the Zagwe Dynasty. Some of the 12th century churches are monolithic, carved from a sloping mass of red volcanic scoria interconnected by a maze of tunnels and passages with openings to hermit caves and catacombs. Some are of the basilica type, having archaic features and imitating architectural elements from earlier periods, yet they differ in design and style.

Afternoon visit of the first group of six churches which lie in rock cradles one behind the other: Bet Golgotha, Bet Mika'el, Bet Maryam, Bet Meskel, Bet Danaghel and Bet Medhane Alem. Bet Medhane Alem is built like a Greek temple and its stone floor is so polished by the countless numbers of visitors that it reflects shafts of light from apertures in the walls high above. In a corner are three empty graves symbolically dug for the biblical patriarchs Abraham, Isaac and Jacob.

-----------------	---	---

**Day 5: In Lalibela:**

After breakfast drive to Nakuto Le’Abe Monastery. King Nakuto Le’Abe abdicated his throne in 1270 AD and went to this cave to live a hermit’s life. The cave, sitting on the edge of a steep cliff, has ever since become a monastery. It houses one of the most interesting collections of ancient crosses, illuminated manuscripts and other icons some of which are attributed to its founder Nakuto Le’Abe.

Afternoon visit of the other group of rock churches in Lalibela. Bet Giyorgis, possibly the most elegant of all the Lalibela churches, lies somewhat isolated in the south-west part of the village on a sloping rock terrace. It can only be reached through a tunnel. The group of four, south of the Jordan River, consists of Bet Emanuel, Bet Mercurios, Bet Abba Libanos and Bet Gabriel-Rufa'el.

**Day 6: Fly to Addis Ababa**

After breakfast you will check in to the airport for your flight to Addis Ababa. Afternoon visit of the Ethnological Museum. Overnight in 4-star hotel.

**Day 7: Drive Arba Minch**

Drive to Arba Minch via Wolayta Sodo. En route visit Chencha and the Dorze village, high in the mountains north of Arba Minch. The Dorze are well known as master weavers and live in interesting igloo-shaped houses. Arba Minch - meaning 'Forty Springs' in Amharic - takes its name from the bubbling streams that cover the forest and the flats of the town.

**Day 8: Drive Jinka**

After breakfast drive to Konso where you visit the Konso people, known for colorful dresses and unusually engraved wooden statues, used as grave markers. Continue along impressive land terracing to the village of the Woito people, near the Woito river. On the way to Jinka stop at the Key Afer Market, a tribal market, where different ethnic groups gather to sell and buy their agricultural products (Thursday is market day).

**Day 9: Jinka – Mursi - Jinka**

After breakfast leave Jinka and drive to the Mursi village to visit and appreciate the very attractive culture of the Mursi tribe. They are renowned for the strange custom followed by their women who, on reaching maturity, have their lower lips slit and circular clay discs inserted. Proceed to Mago National Park. After a picnic lunch, you drive to see big mammals and different species of birds. In the late afternoon drive back to Jinka.

**Day 10: Jinka – Turmi**

After breakfast drive to Turmi through Dimeka to visit the Hamar people and their village. Turmi is a small town, which is the base to visit the Hamar village. Hamers have remarkable hairstyles made from ochre, water and binding resin. They rub the mixture into their hair then twist the strands repeatedly to create coppery-colored locks. This is a sign of wealth and welfare. Hamers are considered to be masters of body decoration.
